Diagnosis: Breast Cancer (Stage- II)

I, Mrs. Mehrunisa Shaikh, was diagnosed of breast cancer. On learning that I have cancer, I was depressed. Dr Koppiker explained to me about breast cancer, I somehow found hope and was ready for the treatment. I thank god for blessing me with a very supportive family who never left my side throughout. The smiling faces of Prashanti staff, their supportive and helpful nature went a long way in boosting my spirits to fight cancer. I was helped financially by Prashanti Cancer care mission for the my entire chemotherapy and surgery. I

am very grateful and thankful to Dr Koppiker, Laleh Ma'am and the staff of Prashanti for their love support and care.

2. Name: MRS. SHASHI HEMANTH SETH

Diagnosis: Lungs Cancer

I, Shashi Seth, a cancer survivor, living in Pune was diagnosed with lungs cancer. It was difficult for me to take the news as I belonged to a middle class family. The cost of treatment was more troublesome than the disease. But Prashanti Cancer Care Mission gave me a ray of hope for my treatment and survival. Dr Koppiker and Ms Laleh helped me to cope up mentally as well as financially. I am grateful to everyone at Prashanti Cancer Care Mission for supporting me like a family. Dr Koppiker Sir and Laleh Ma'am helped me financially by giving me free medicines.

3. Name: MRS. KIRTI RAMDAS TIWARI

Diagnosis: Breast Cancer

I, Kirti Tiwari was diagnosed with Breast Cancer. It was very shocking for me and my husband as I belong to a middle class family and during that phase my husband was unemployed and we had no financial support. Then I met Dr Koppiker and Laleh Ma'am they helped me financially by giving me free medicines for chemotherapy. The staff at Prashanti Cancer Care Mission were very supportive and were very helpful with their smiling faces. I sincerely

thank the Doctors, Nurses and the staff members of Prashanti Cancer Care Mission.

4. Name: MRS. REKHA JUGAWALE

Diagnosis: Breast Cancer

I, Rekha Ingawale was diagnosed with Breast Cancer. I am a single woman, coming from a poor family, living with my mother. It was very difficult for me to take the news. I work as a maid and the monthly income is meagre as compared to the cost of cancer treatment. I came to Prashanti Cancer Care Mission, who gave me a ray of hope for my treatment and survival. Dr Koppiker and Ms Laleh Ma'am helped me cope up mentally as well as financially with my cancer treatment. I am grateful to everyone at Prashanti Cancer Care Mission for supporting me like a family.
